Dear Norman Brockie

20/00084/LBC Land 55M NE Of Keiss Harbour House, High Street, Keiss

Thank you for the opportunity to comment on the above planning application relating to a category-C-listed ice-house dating from the early nineteenth century. The applicant seeks permission to reinstate the turf roof over the entrance area. Having considered the proposal the Forth & Borders Cases Panel wishes to make the following comment.

We are concerned that although there is a plan showing the existing roof, which appears to have been recently rebuilt, no plan has been provided showing how the proposed work is to be carried out. We therefore wish to object to this application on the grounds of lack of information.

Yours faithfully,

Lucy Gray, Convenor
on behalf of the Forth & Borders Cases Panel
