Dear Rev. Garman

Alterations to a selection of Pews at St John the Evangelist Episcopal Church

Thank you for your email and annotated photos regarding proposed alterations to pews at St John's church in order to accommodate wheelchair users and facilitate easier access.

On examination of the images, the AHSS Dundee and Angus Panel has no objection to the alteration of the pews. In the absence of a method or design statement it would, however, encourage the reuse of the surplus historic timber and ensure that the existing pew ends are reused within the shortened seating.

Yours sincerely,

Sarah Kettles
