The Chief Planning Officer,

Dear Sir,

**Planning Application No: 20/01056/LBA Flat 2/1 256 Darnley Street**

The Society has considered the application above and, while we are pleased that the fireplaces and cornices will be restored or replaced in this flat, we have definite concerns regarding the removal of so much walling between the existing sitting room and bedroom. This will upset the room proportions of this fine B listed property, creating an L-shaped space incompatible with Glasgow City Council policy. Any access between rooms should conform to SG9 para. 2.112c.

We therefore object to this Application.

Yours faithfully,

Iain J. Wotherspoon,  
Chairman, Cases Panel, Strathclyde Group
